Hills of Westwood Residents,

RE: Opening the Community Pool on Wednesday June 10th, 2020

We are excited to announce the opening of the community pool. However, it will take a community effort to keep it open. Residents must adhere to the following rules and guidelines to ensure the safety of the community.

The guidelines are as follows:

- The pool will be opening with a limited capacity of no more than 100 people in the pool facility at one time.
- Maintain social distancing
- Due to the capacity restrictions we are NOT allowing any guests or parties.
- As residents of the Hills of Westwood community we ask that you follow all posted pool rules as well as the CDC / State pool guidelines found here::

<https://www.cdc.gov/coronavirus/2019-ncov/community/parks-rec/aquatic-venues.html>

<https://dshs.texas.gov/poolspa/default.aspx>

Self-monitoring is very important, and residents must be empowered to ensure these rules and guidelines are followed. We ask that if you are not feeling 100% healthy PLEASE STAY HOME!!!! Pool furniture and equipment is not sanitized therefore each resident must sanitize it before and after each use. We will be watching the pool usage and will update this as soon as we can.

The Hills of Westwood and Colby Property Management would like to thank everyone for their patience and support during this unprecedented time.

Regards,
Nallely J. Valdez
Community Manager
